

RCFHA: 2026-2027 Season Vision

2026-07-31

Dear RCFHA Families,

On behalf of our Executive Team, I'd like to thank you for choosing the Richmond Cosom Floor Hockey Association. Whether you're returning for another season or joining our community for the first time, we're happy to have you with us!

Last season, we renewed our focus on what has made this league so special for the past 50 years: our community. Together, we strengthened our commitment to creating an environment where every player, coach, parent, official and volunteer feels welcome, valued, and respected. We are incredibly proud of the progress we made, and this season we are excited to build on that foundation.

Our vision remains the same: to provide a fun, safe, inclusive, and respectful environment where every child can develop as both a player and a person. These values are at the root of what makes RCFHA so special, and we are excited to work with you to uphold these core values. As a non-contact league, safety will continue to be one of our highest priorities. Healthy competition is part of our sport, but it should never come at the expense of sportsmanship, kindness, or enjoyment of playing with one another.

This year, we're placing an even greater emphasis on team-building and positive culture. While learning the skills of floor hockey is important, the lessons learned beyond the game are what stay with our players for life. Through teamwork, leadership, resilience, communication, and respect, we hope every player leaves the season with greater confidence, lasting friendships, and memories they'll carry for years to come.

As parents and guardians, you play a vital role in our league. Your encouragement, support of coaches and officials, and commitment to respectful behaviour help shape the experience for all participants. Together, we can ensure every player feels supported, included, and excited to come to the gym each week.

While not part of our original vision, last season we implemented several initiatives that enhanced the quality of the RCFHA experience. We are already building on that momentum with new ideas and improvements aimed at making our league even better for players and families.

To support our continued growth and ambitious goals, we have expanded our Executive Team from 21 to 35 Directors, the largest in RCFHA history by a landslide! This investment in leadership will allow us to better support our members, distribute the volunteer

workload more effectively, and continue enhancing the quality of the league experience. [Meet our 2026-2027 Executive Team here.](#)

I would also like to take this opportunity to remind you to [register for the 2026-2027 season](#) if you have not already done so. Registration fees will increase on August 1st, so we encourage you to take advantage of the early registration rate while it is still available. As we have moved to a new and improved registration system, you will need to create a new account to register yourself/your children. You can also sign up as a coach, team manager, or referee at the same link. [Here](#) is a brief guide to aid in registration. Any questions can be directed to registration@rcfha.org

Thank you for being part of our community and entrusting us to play a role in your child's development. We look forward to working alongside you to make this a season filled with respect, teamwork, growth, and, most importantly, fun!

Farhaan Khan

President
